

DÍA DE MUERTOS 2019

Join the University of Notre Dame's Center for Civic Innovation along with the Indiana University South Bend Civil Rights Heritage Center as we present an evening celebrating the Día de Muertos holiday.

View ofrendas honoring the lives of those who have passed before us along with pan de muertos (sweet bread), hot chocolate, and champurrado. Enjoy music and dancing from local performers as well as children's activities to entertain and educate.

Any K-12 or University student that shows their student identification will receive a free \$5 voucher for use on site that evening! (While supplies last.)

Participation at this evening of music, dance, food, and celebration of community and culture is free. Individuals and families are encouraged to attend and enjoy!
