ART, CULTURE & HISTORY IN CINCINNATI

June 22 and 23, 2022

Cincy!!

DAY 1
WEDNESDAY, JUNE 22
TAFT MUSEUM OF ART

The Taft Museum of Art (TMA) is one of America's finest small art museums. Housed in part in a National Historic Landmark built in 1820, the TMA is home to an extensive art collection that includes European and American master paintings, Chinese porcelains, and European decorative arts. We will have a docent-led tour of the home and the opportunity to see the visiting exhibition *Jane Austen: Fashion & Sensibility*. Group lunch is included.

NATIONAL UNDERGROUND RAILROAD FREEDOM CENTER

Rooted in the stories of the Underground Railroad, the Center illuminates the true meaning of inclusive freedom by presenting permanent and special exhibits that inspire, public programming that provokes dialogue and action, and educational resources that equip modern abolitionists. The Center opened its doors in 2004 and, for the second year in a row, was named the #3 best museum in the country by *USA TODAY*.

THE HILTON AT NETHERLAND PLAZA

Hilton Cincinnati Netherland Plaza is one of the world's finest examples of French Art Deco architecture in existence and a true modern marvel. But the most important thing they offer is unequalled commitment to quality & service. We will experience an abundance of art, history and luxury at one of Cincinnati's landmark institutions. **Dinner on your own.**

LOIS & RICHARD ROSENTHAL CENTER FOR CONTEMPORARY ART (OPTIONAL)

With the center's addition and re-opening in 2003, Zaha Hadid became the first woman ever to design an American art museum. The Rosenthal Center itself is one of the largest and most dynamic Contemporary art galleries in the United States. It is located just blocks from the hotel, open until 7 pm on Wednesday nights. This is an optional stop for those who want to visit while we are in our open evening hours. Free admission.

DAY 2 THURSDAY, JUNE 23 **HATHAWAY DINER (OPTIONAL)**

Located on the first floor of the historic Carew Tower next door to our hotel, Hathaway's has been serving comfort food to downtown diners since 1956. We will eat breakfast as a group, but pay individually.

ROOKWOOD POTTERY AND TILE — FLAGSHIP STORE

The Rookwood Pottery Company was first founded in Cincinnati 130 years ago by pioneering artist Maria Longworth-Nichols. She quickly built the company into a world-renowned ceramics studio, attracting the attention of famed artists and ceramicists all over the world.

Today, Rookwood continues to build upon its rich heritage and creates the highest quality art pottery and architectural tile in the United States. We will tour and observe the process, the people, and the product, and have time to shop (with a \$10 coupon) for that perfect Rookwood piece to bring home.

CINCINNATI ART MUSEUM

Founded in 1881 and located in scenic Eden Park, the Cincinnati Art Museum features a diverse, encyclopedic art collection of more than 67,000 works spanning 6,000 years. We will have guided tours of two areas in the Museum—the History of the City and the Masterpieces Collection. Group lunch included.
